MEMORANDUM

TO: Authority Members

FROM: General Manager

DATE: December 1, 2005

RE: Minutes of November 9, 2005 Architectural Environmental Committee Meeting

A regularly scheduled meeting of the Architectural Environmental Committee was held on Wednesday, November 9, 2005. Members present were Mr. Bill Griffith, Mr. McGuire Martin, and Mr. Vernon Prather. Also present were board members Mr. Thom Blas, Dr. Thomas Campanella, and Mr. Jimmie Perkins. Mr. Griffith, chairman of the committee, called the meeting to order and presented the following items:

Item #1 – Sabine Yacht & Racquet Club – 330 Ft. Pickens Road – For discussion only – Construction of a covered entry

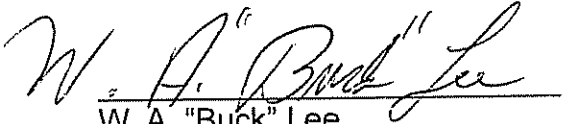

Ms. Sue Smith reviewed the background on the request, stating that staff had been researching the issue with the leaseholder and Escambia County staff due to the size of the variance required for the proposed covered entry. Ms. Debbie Norton said that the Escambia County staff had suggested that the Authority look at adding language to Article 13 of the Land Development Code to address similar issues on a global basis. She recommended that staff be authorized to move forward and develop revisions to Article 13 of the Land Development Code to address covered entry ways for commercial and multi-family residential developments on an island-wide basis.

**Upon motion of Mr. Prather, seconded by Mr. Martin, the committee unanimously recommended that staff be authorized to develop revisions to Article 13 of the Escambia County Land Development Code to address covered entry ways for commercial and multi-family residential developments on an island-wide basis.**
